AMOS-5i Occasional Use Procedure - Version 1.3

Dear customer,

Thank you for choosing AMOS-5i for your Occasional Services.

Please follow the instructions below and the attached form in order to ensure smooth and efficient transmission.

1. Finalize a commercial agreement for Occasional Use with your Spacecom Account Manager.
2. Fill-in the AMOS Earth Station Registration form which may be downloaded from our website @ www.amos-spacecom.com and send it to us. We will send back to you the AMOS E/S Certificate with your AMOS U/L Station Code.
3. After getting the AMOS U/L Station Code you are authorized to order Occasional Use services by filling-in the required information in the attached "Request for Occasional Use on AMOS" and sending it by fax to Spacecom Customer Service at: +972 2 5349145
4. Note that the Occasional Use segments are allocated on first-come-first-serve basis. The Spacecom Customer Service will review your order and if possible will confirm it by sending the attached "AMOS Occasional Use Space Segment Assignment" back to you by fax.
5. Prior to the time of transmission, please contact the Spacecom Customer Service by telephone and follow the "AMOS Line-Up Procedure" (also available on our website) to start your transmission.

Make sure to receive a formal written confirmation of your Occasional Use order from Spacecom Customer Service in advance.

Thank You,

The AMOS Team
